

ATSSim Suite END USER LICENSE AGREEMENT

IN CONSIDERATION FOR ACCESSING AND/OR USING THE ATSSIM SUITE SOFTWARE, LICENSEE AGREES TO BE BOUND BY THE FOLLOWING TERMS AND CONDITIONS.

1. Definitions.

- 1.1 **Backward Compatible** means the ability of a succeeding Licensed Program version, upgrade or release to load and execute the files from the immediately prior Licensed Program version for the relevant operating platform.
- 1.2 **ATS Intellectual Property** includes all Licensed Programs, including but not limited to all the following for the Licensed Programs: source code, modifications, enhancements, improvements, updates, additions, derivative works, and object code compiled therefrom; all Technical Data; all Technical Documentation, all Software Documentation and User Documentation associated with the Licensed Programs; and all right, title and interest in the foregoing, including but not limited to rights arising under any patent, copyright or trademark thereof.
- 1.3 **Derivative Works** means any application, improvement, add-on or modification to a Licensed Program.
- 1.4 **Effective Date** means the applicable date as defined in Section 10.
- 1.5 **Exercise Support** means any information, effort, ideas, work, contributions or suggestions made or expended in connection with, or in furtherance of, the operation or use of the Software or any functionality for which the Software is designed, which is provided by any individual, group or legal entity, including but not limited to individuals acting in the capacity as software engineers.
- 1.6 **Internal Support** means making available or providing to Licensee any off-site telephonic, electronic or email technical support for the Software and Licensed Programs as follows:
 - 1.6.1.1 Telephone and email support for system/data problems, workarounds and debugging.
 - 1.6.1.2 Provisions to input software discrepancy reports and/or software change requests to ATS.

1.6.1.3 Telephone and email support available during normal business hours (8am - 5pm Mountain Time, Monday to Friday) except Federal and state holidays.

- 1.7 Licensed Program** is the ATSSim suite and its associated modules, as may be known by any other name, which is the same as the Software or Product, and in particular includes any improvement, supplement, update, patch, version or upgrade of the Software and any and all documentation delivered in connection with the sale, lease or transfer of such Licensed Program, no matter whenever delivered. Any Particular improvement, supplement, update, patch, version or upgrade of ATS's Software may be specified in the applicable Software sale or lease agreement entered into with a particular Licensee.
- 1.8 Intentionally Omitted**
- 1.9 Non-Assignable** means that there can be no assignment, transfer or making available for the benefit of others directly or indirectly, in the full legal context of the term "assign," including transfer or permission to use, of any right, title, interest, use, or benefit of the Licensed Program. This limitation includes restrictions on the use by any organization other than the most restrictive definition of the specific user organization.
- 1.10 Non-Transferrable** prohibits the direct or indirect change, conveyance, passing, making available, transfer or making over, in the full legal context of the term, of any right, title, interest, use, or benefit in the Licensed Program to a party different from an individual or from the particular Organization that is the Licensee, and if the Licensee is an organization, the most restrictive unit of that organization viewed as the specific original Licensee.
- 1.11 Organization** includes any Person as an individual or, in the case of an entity having its creation based in law, and if such entity is organized to have more than one office in the nature of, for example, a Branch, Bureau, Division, Sector, Agency, Service, Administration, Office, or Program, then Organization shall mean the most restrictive organizational subset of individuals working together for a common purpose in the entity that nominally is the Licensee, unless further defined in the Agreement. For purposes of illustration only, Licensee does not mean more than one Branch, Bureau, Division, Sector, Agency, Service, Administration, Office, or Program in the entity unless so defined in the Agreement.
- 1.12 Upgrade** includes an improvement, supplement, update, patch, version or upgrade of the Software having any additions or modifications which improve the efficiency and effectiveness of the basic program function(s) in the Software issued as of the date this Agreement and accepted by the User as a specific Release of the Software. An Upgrade is not the same as an entirely new release of the Software but more in the nature of an improvement, supplement, update, patch, version or upgrade of a particular release.

- 1.13 User Documentation** means documentation published by ATS describing the Licensed Programs' capabilities, functions and characteristics, as provided to existing Licensed Program users.
- 1.14 Release** means a denoted basic Software design based on specific program function. A release does not mean a patch, an improvement, upgrade or new version of a specific release of the Software, but does include such improvement, supplement, update, patch, version or upgrade once issued.
- 1.15 Software** means that organized collection of computer data and instructions, including but not limited to system software, application software, middleware and utility software, and all code that comprise the foregoing, which when the individual components are taken together, comprise the ATS software offerings called ATSSim as specified in the Agreement and all patches, and improvements, upgrades, new versions and releases.
- 1.16 Software Maintenance** means professional services in the nature of error correction services for the Licensed Programs and does not include any modifications, changes or additions beyond the scope of ensuring the successful Software functionality as described in the User Documentation.
- 1.14 Support** means any Exercise Support, Internal Support, Model Support or Software Maintenance Support including but not limited to assistance, work or consulting or suggestions provided by Software Engineers and/or Software Engineers specializing in modeling and simulation.

2. PRODUCT LICENSE GRANT.

2.1 Evaluation License Grant. If Licensee is accessing the Product for evaluation purposes, then subject to the terms and restrictions set forth in this EULA and any accompanying sales Agreement (an "Agreement"), Licensor grants to Licensee a non-exclusive, non-transferable, non-assignable, non-leaseable, limited, and revocable license for the Product, in object code form only, for up to the number of agreed authorized users to use the Product internally, for the sole purpose of evaluating its capabilities and considering a potential purchase of a License. If no specific number of agreed users is evidenced in writing, the authorized number shall be no more than three. This Evaluation License will terminate automatically a) thirty (30) days after the Effective Date; b) immediately upon breach of this License; or c) as ATS otherwise agrees in writing.

2.2 License Grant. Subject to continuing compliance with all the terms and restrictions set forth in this EULA and any accompanying Agreement, and conditioned on Licensee's completion in full of all applicable license fee requirements, ATS grants to Licensee a non-exclusive, non-transferable, non-assignable, non-leaseable, revocable (in case of breach), license for the Product, in object code form only to: (i) permit Licensee's use of the Product by as many of Licensee's authorized users or on as many of Licensee's servers for which Licensee has

purchased rights for Licensee or Licensee's entity under an Agreement. If no number of authorized users is documented in an Agreement, the authorized number of users is one (1); (ii) use the Product for Licensee's specific Organization's direct internal purposes and benefit only (including use by Licensee's third-party consultants who must, as a condition to their use under this Agreement, agree to be bound by the terms and conditions of this Agreement); and (iii) make up to one copy of the Product for archival or disaster recovery purposes only. Licensee may use and install Licensed Program, and all future Upgrades and enhancements if specifically purchased of such Licensed Program and utilize the User Documentation, only for use within the United States and its Territories or elsewhere in accordance with the terms of the Agreement. If Licensee is a natural individual, the terms of this EULA apply to Licensee personally. If Licensee is an Organization, the terms of this EULA apply to that specific unit of the Organization who purchased and utilizes the Licensed Program and to no other distinct unit, branch, department, bureau, office or other form of internal organization distinct from the particular Licensee.

2.2 (a) In addition to all other restrictions on transfer of the Licensed Program in this EULA, Licensee may not "lend," "suffer" or "permit" any use of the Licensed Program by anyone other than Licensee unless specifically authorized by this EULA or the Agreement.

3. Support Services. No Support, including operational exercise support services, are provided under this EULA. Support services may be provided under separate written agreement. In order to assure quality performance and operation, only ATS Certified Personnel may provide Support including but not limited to services related to or in the nature of Exercise Support, Model Support or Software Maintenance.

4. Intentionally Omitted

5. Intentionally Omitted

6. Intentionally Omitted

7. Prohibited Use. Licensee is prohibited from using the Product as a basis to create or develop or contribute to the creation or development of any standalone software program that incorporates any portion of the Software or that makes direct function calls to or operation of the Software or which is otherwise dependent upon any portion of the Software. Licensee shall not create or develop or contribute to the creation or development of any program or suite of programs functionally similar to the Product unless independently developed by Licensee without access, or reference, to the Software.

7.1 Restrictions. Licensee agrees not to directly or indirectly (i) modify or create any derivative works of the Product, including translation and localization; (ii) copy or reproduce the Product, in any manner, other than as expressly permitted under this EULA; (iii) decompile, disassemble, decompress, reverse engineer, or otherwise attempt to derive the source code for the Product; (iv) redistribute, encumber, sell, rent, lease, sublicense or otherwise transfer use or rights to the Licensed Product unless specifically authorized to do so in writing; (v) use the Product without a current,

fully paid License and if the License is not current then the Product must be deleted from all Licensee's systems; or (vi) allow any person or entity to commit any of the actions described in this subparagraph.

7.2 Required Actions. Promptly upon notice or knowledge of any prohibited or unauthorized access or use under this Agreement, Licensee will take all necessary measures to promptly terminate the prohibited or unauthorized access or use and provide notice thereof to ATS.

8. Documentation.

8.1 Upon execution of this Agreement, Licensor will deliver to Licensee or his designee at the Delivery Location one complete set of User Documentation for each Licensed Program in English.

8.2 Unless otherwise restricted, Licensee shall have the right to distribute copies of the User Documentation only as reasonably necessary for its employees and other personnel support the Software. User Documentation shall not be sold, transferred, or distributed to any third party other than third parties expressly permitted to use the Licensed Programs under this Agreement.

8.3 Licensee shall have the right to reproduce or modify in whole or in part such provisions of the User Documentation as Licensee and his Affiliates consider appropriate solely in order to support the use of the Licensed Programs, including training provided that Licensee shall reproduce Licensor's copyright notice and the statement "Portions printed with permission of ATS, LLC" or such other legend as required by ATS on each copy or on each compilation containing portions of such User Documentation, and provided further that any copies shall meet reasonable printing quality standards.

8.4 If Licensee is required to reproduce User Documentation for reasons other than the above, Licensee shall submit a written request to Licensor setting out the portions of User Documentation which it desires to reproduce.

9. Proprietary Rights/Confidentiality Protection.

11.1 Rights and Limitations. Licensor retains all intellectual property rights in the Licensed Product and any associated proprietary and confidential information, including all derivative rights. Licensee agrees to retain all proprietary marks, legends, patent and copyright notices that appear on the Product and any ATS confidential information delivered to Licensee and all partial copies thereof. Licensee may not copy or otherwise use the Licensed Product and any related documentation, in whole or in part, except as expressly permitted in this EULA. Licensee recognizes that the Licensed Product contains certain confidential information, and Licensee must reasonably protect the confidential information contained in the Product and provide at least the same safeguards afforded Licensee's own confidential information, but in no event, shall Licensee apply less than a reasonable standard of care to protect the confidentiality of our confidential information. Use of any third party's intellectual property or software

product(s) or other information shall be governed by a separate license agreement between Licensee and such third party(s).

10. Term and Termination.

10.1 Term. The term of this EULA shall commence on the Effective Date on the date agreed and executed by both Parties in the Agreement and shall remain in effect (a) in the case of an Evaluation License, for thirty (30) days following the Effective Date; (b) in the case of a Commercial paid license sale, according to the terms of the Agreement; or (c) in the case of a lease or limited term use Agreement, according to the agreed use term, in each case unless earlier terminated in accordance with this EULA and any Agreement defining the terms of the EULA. In all cases and irrespective of any other Agreement, the Effective Date commence no later than the date Licensee first installed or caused to be installed on any computer or server.

10.2 Termination. The license to use the Product shall immediately terminate upon expiration or termination of this EULA or according to the terms of the Agreement pursuant to which this License was obtained. The Agreement and/or the licenses granted hereunder, as applicable, will terminate automatically based on any material breach by Licensee. ATS may, in its discretion, grant a “cure” period to allow any material breach to be remedied. If so remedied, this License shall become effective in the exercise of written discretion of ATS. Upon termination for any reason, Licensee agrees that Licensee will cease to use the Product and destroy or return to us all copies of the Product and related documentation. Sections 2.3 and 3 through 13 shall survive termination of this EULA.

11. LIMITED WARRANTY.

NO WARRANTIES WHATSOEVER ARE PROVIDED UNDER THIS EULA AND ATS HEREBY DISCLAIMS ALL WARRANTIES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS AND NONINFRINGEMENT FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE PRODUCTS. The Software as provided is not designed or intended for use in hazardous environments requiring fail-safe performance, including but not limited to the operation of nuclear facilities, aircraft navigation or communication, weapons systems or life support systems, in which failure of the Program could lead to death, personal injury or severe damage of any kind.

12. LIMITATION OF LIABILITY.

ATS SHALL HAVE NO LIABILITY UNDER THIS EULA TO LICENSEE OR ANY OTHER PERSON OR ENTITY FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES WHATSOEVER FOR ANY REASON, INCLUDING, WITHOUT LIMITATION, REGARDING THE RESULTS AND/OR PERFORMANCE OF THE PRODUCT, LOSS OF REVENUE OR PROFIT, LOST OR DAMAGED DATA OR OTHER COMMERCIAL OR ECONOMIC LOSS, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR THEY ARE FORESEEABLE, OR FOR CLAIMS BY A THIRD PARTY. THE FOREGOING

LIMITATION DOES NOT, HOWEVER, AFFECT OR ALTER THE EFFECTIVENESS OF ANY WARRANTIES GRANTED TO LICENSEE UNDER THE AGREEMENT.

13. Intentionally Omitted

14. Intentionally Omitted

15. Intentionally Omitted

16. Proprietary Rights.

Licensor grants no rights other than the most restrictive view of those rights specifically granted herein. Any continued rights under this License are subject to continuous strict compliance with all terms herein.

17. Confidentiality.

17.1 Confidentiality Obligations. Licensee shall not disclose any aspect of Licensor's Proprietary Information.

17.2 Proprietary Legends. The Licensee shall not remove, obscure, or deface any proprietary legend relating to Licensor's rights, on or from any tangible embodiment of any Proprietary Information, without Licensor's prior written consent.

17.3 Notice Requirement. A Licensee shall immediately report to Licensor any attempt by any person, of which Licensor has knowledge, to use or disclose any Proprietary Information, or to copy, reverse assemble, reverse compile or otherwise reverse engineer any part of the Licensed Program, program or programs.

18. Miscellaneous.

18.1 Notices. All notices provided for in this Agreement shall be given in writing and shall be effective when either served by personal delivery or upon receipt via local mail, return receipt requested, postage prepaid, or sent by facsimile transmission with confirmation in writing to:

18.2 Severability. If any of the provisions, or portions thereof, of this Agreement are found to be invalid under any applicable statute or rule of law, the Parties agree to enter a new agreement, identical to this Agreement excluding the invalid provisions, which new

Agreement shall be deemed to be in full force and effect starting with the original date of this Agreement and coextensive with the full term of this Agreement.

19. High Risk Uses. The Program is not designed or intended for use in hazardous environments requiring fail-safe performance, including but not limited to the operation of nuclear facilities, aircraft navigation or communication, weapons systems or life support systems, in which failure of the Program could lead to death, personal injury or severe damage of any kind. Licensor SPECIFICALLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY AND ALL LIABILITY IN ANY WAY CONNECTED OR ARISING OUT OF ANY HIGH RISK SITUATIONS.

IN WITNESS WHEREOF, parties hereto have caused their duly authorized representatives to execute this Agreement either through execution of this EULA or electronic acceptance of the terms hereof.
